

Hi There,
I'm Dharanish A M
Pursuing B.E in Computer Science & Engineering

My Skills

Passionate and detail-oriented computer science enthusiast with a flair for crafting innovative solutions through code. As a dedicated learner, I am constantly exploring new technologies and expanding my skills. Proficient in languages such as JavaScript, Python, and Java, I specialize in web development, with expertise in HTML5, CSS3, and React.

Programming Languages

- JavaScript
- Python
- Java

Web Development

- HTML5
- CSS3
- React
